

SISSI & CO

Welcome to Sissi & Co, our café, providore and catering culinary venture.

This delightful space was inspired during a food sabbatical throughout Europe, and actually became ours whilst staying in Casole d'Elsa in Tuscany! We strive to serve the best homemade food created with lots of love and top quality seasonal produce, and invite you to share and explore the many flavours we surround ourselves with. Please sit back, relax and enjoy.

Kirsty 'Sissi' and Wayne.
